Course Information

OPOA's Manager Training Course has been developed by OPOA Legal Counsel **Charles M. Greeff** and approved by the Manufactured Communities Resource Center in the Oregon Division of Housing & Community Services.

Oregon law requires that the on-site manager – or an off-site manager or owner – must attend a minimum of four hours training every two years. This four-hour training complies with that requirement.

Fee is NON-refundable if unable to attend; however, if you let us know before the class that you cannot attend funds can be applied to the next training.

For additional information, contact Eva Greeff at (503) 349-4684 or evangreeff@gmail.com.
